

COVID-19 STATUS AND UPDATE

(last revised August 4, 2021)

We're open, and all of our facilities and amenities are open.

All relevant and noteworthy restrictions are outlined below. Please be aware that everything is subject to change with or without notice, in accordance with guidance and mandates from the county, state and any other governmental agency.

If you are sick, in a high-risk group prone to illness, or experiencing any virus-type symptoms, please stay away from others and stay away from any of the common areas or buildings. If you have tested positive, suspect that you may be, or have been exposed to someone who is, please stay inside your RV and on your site. Symptoms include: cough, shortness of breath/difficulty breathing, fever, chills, repeated shaking with chills, muscle pain, headaches, sore throat, and new loss of taste/smell. If you're sick or exhibiting any symptoms, contact your health care provider immediately for further medical advice.

-Face coverings are once again required in all public indoor spaces, whether you are vaccinated or not (*as of July 30, 2021, by state directive*).

-The six-foot "social distance" is no longer required, as of May 1st.

-We continue to recommend the usual precautions at all times: washing your hands frequently and properly, not touching your eyes, nose and mouth, covering your coughs and sneezes with your arm, and using hand sanitizer. Please bear in mind that this is a greatly abbreviated description of all precautions that should be taken, here or anywhere. Hand sanitizer is available in most buildings and areas, including the bathhouses and pool deck area. If you find any such supplies are running low, please let us know right away.

If you have any questions or concerns, please do not hesitate to contact the manager at manager@preferredrv.com, or by calling (775) 727-4414.

SWIMMING POOL

The pool is open as usual, and face coverings are not required while on the deck. Please see the signage at all pool entrances for any further details.

SPA

As of May 1st, the spa is open and unlocked as it always used to be. Face coverings are still required, when practical, when you are not in the water. Please see the signage at the entrances for any further details.

FITNESS ROOM

As of May 1st, the fitness room is open and unlocked as it always used to be. Face coverings are still required, when practical, and when they are not interfering with proper breathing. Please see the signage at the entrance for any further details.

CLUBHOUSE MEALS

We are still offering inside dining and carry-out for most meals.

For inside dining, face coverings are required when not actively eating or drinking. Please see the signage at the clubhouse entrances for any further details.
